

FRANKCRUM SERVES UP HEALTH INSURANCE FOR HOSPITALITY BUSINESSES

If you're looking to take your small hospitality business to the next level, consider the benefits of partnering with FrankCrum and taking advantage of our health insurance offerings.

FrankCrum offers an all-inclusive Master Health Plan tailored just for our PEO customers. With our Aetna Health Plan, employees across the country can access a national network of providers, including telehealth solutions.

Are you not sure where to start? FrankCrum has a team of fully trained and licensed Benefits Account Executives who can consult with you to determine the best plan designs for your company.

The Story of Gourmet Delights

Gourmet Delights, a family-owned restaurant, found it challenging to manage HR tasks while keeping up with the demands of its busy kitchen. By teaming up with FrankCrum, Gourmet Delights was able to offer attractive health insurance plans to its employees which not only improved morale but also attracted talented chefs and servers who valued the comprehensive benefits package.

In the hospitality industry, where customer satisfaction and employee performance are paramount, partnering with FrankCrum to offer health insurance can provide a significant competitive advantage by enhancing business operations and creating a supportive and appealing work environment for staff.

Key Advantages of FrankCrum Health Insurance

1. A benefits enrollment platform that is fully integrated with MyFrankCrum, our HRIS Platform
2. Electronic Open Enrollment
3. Live customer service and AI self-service support tools
4. Streamlined premium deductions through payroll
5. Carrier remittance and billing reconciliation

Why Choose FrankCrum's Master Health Plan?

- **Cost-Effective:** Save money while providing top-notch health benefits.
- **Hassle-Free:** Focus on your core business while we manage your health plan.
