

OUTPLACEMENT SERVICES

FrankAdvice has outplacement services available to our clients. Outplacement ensures exiting employees are well taken care of during their career transition, with dedicated support, tools, and resources to help land their next role.

By leveraging advanced technology and personalized coaching, outplacement services can mean faster placement and lower unemployment costs for employers.

“HAVING TO SAY GOODBYE TO A TEAMMATE IS NEVER EASY. HELPING TO SUPPORT THEIR TRANSITION IS IMPORTANT TO US.”

Having a large platform to deliver virtual services across a spectrum of languages and even in other countries, with teams comprised of coaches, resume writers, and social media strategists working together are important to help land the participant's next role.

WHAT IS AVAILABLE:

- Unlimited 1:1 coaching until landing with services for life.
- Services tailored to transition entry-level roles through c-suite level roles.
- Experts write high-value, keyword-optimized resumes.
- E-learning library, on-demand webinars, and career management educational materials.
- Virtual, global platform available in 40+ languages across 80 countries.
- 24-hour outreach to participants guaranteed.
- Advanced technology such as AI and machine learning for better, faster landing results.
- White glove services for transitioning executives, supporting every major industry, function, and title worldwide.
- Retirement or active retirement advice.
- Event consulting for sharing best practices, reviewing company communications, fine-tuning notification meeting schedule, logistics planning, etc.
- Reduction in Force training to prepare managers for notification meetings.
- Day-Of notification support from a coach for impacted employees.
