

PROVIDING VALUE-ADDED SERVICES

for CPAs and their Clients

We understand how important client relationships are for the health of your business. We feel the same way and would like to extend an offer to help you support their growth and success.

As a professional employer organization (PEO), FrankCrum solves a variety of challenges for small and mid-sized businesses, such as:

- Difficulty finding workers' compensation insurance
- Tax-related issues related to payroll
- Headaches associated with repetitive payroll tasks
- A desire to offer employee benefits

If you have clients who are facing any of these challenges, FrankCrum can help. All it takes is a simple consultation to get started.

How FrankCrum Supports You and Your Clients

NO WORKERS' COMPENSATION AUDITS

You can redirect the time and effort once spent on client audits into helping them with other priorities.

PAYROLL SERVICES AND COMPLIANCE

Our experienced team and proven systems eliminate the burdens of payroll administration and its associated tax risk and compliance challenges for you and your clients.

BENEFITS PLANS

We exercise group buying power to provide a range of benefits packages to fit varied budgets and goals, providing what most small businesses cannot accomplish themselves.

Contact your FrankCrum representative today to schedule a complimentary consultation.
