

# WORKERS' COMPENSATION COVERAGE AND SO MUCH MORE

At FrankCrum, we have a reputation for offering affordable workers' compensation coverage, accepting risks that others won't, and providing programs that help small and medium sized businesses protect their cash flow and their people, all while delivering exceptional one-on-one customer service.

## What Can FrankCrum Do For YOU?

### Affordable Workers' Compensation

FrankCrum has its own insurance carrier, which offers discount capabilities and eliminates third-party fees.

- No audits on worker's compensation.
- No down payment AND pay-as-you-go.
- We serve companies of all sizes, including small businesses and start-ups.

### Human Resources

Our team of experienced and credentialed HR pros provides guidance on the changing rules and regulations surrounding employee relations.

- HR expertise is a phone call or email away from a dedicated HR consultant, not a shared call center.
- Get help with topics such as hiring, corrective action, termination, wage and hour issues, job descriptions, employee handbooks, and more.
- Affordable Employer Practice Liability Insurance (EPLI) covers you in case of an employment-related lawsuit.

### Payroll And Tax Administration

At FrankCrum, you'll work with a dedicated payroll coordinator to ensure accurate, timely payroll processing.

- We review your payroll for state and federal compliance.
- We allocate hours or wages per your specifications (department, client project, or cost item).
- We take care of withholding, reporting, and remitting federal and state payroll taxes.

### Benefits

Partnering with FrankCrum provides you with access to our sizeable group's buying power to drive down costs and save you money.

- Big company benefits at a fraction of the price you'd spend on the open market, like access to our Aetna Master Plan for health care.
- Ancillary benefits such as vision, dental, critical care and more at no cost to the employer.
- Retirement savings benefits at no cost to the employer after 8 participants are enrolled.
